Professional Profile

Motivated and disciplined Computer Science student with strong academic and technical foundations in software development, digital systems, and IT operations. Skilled in full-stack web development, system analysis, and cybersecurity fundamentals. Passionate about innovation, continuous learning, and contributing to impactful digital solutions in multicultural environments.

Education

University of Rwanda

Bachelor of Science in Computer Science

2023 – Present (Year 2 Completed)

Relevant Coursework: - Data Structures & Algorithms - Web Development - Software Engineering - Database Management Systems (DBMS) - Computer Networks - Operating Systems - Digital Electronics - UI/UX Design - Python Programming - C Programming - JavaScript

Technical Skills

- **Programming Languages:** Python, C, JavaScript, TypeScript
 - **Frontend:** React, Redux, HTML, CSS
 - **Backend:** Node.js, Django
 - **Databases:** PostgreSQL, MongoDB
 - **Tools & Platforms:** Git, GitHub, Linux, Windows
 - **Other Skills:** IT Support, System Analysis, Cybersecurity Basics
-

Projects

Aguka System – Full-Stack Business Management System

- Designed and developed a system to manage sales, inventory, and reporting for SMEs.
- **Technologies:** React, Node.js, PostgreSQL

RwRide – Ride-Hailing Web Application

- Built a web platform connecting drivers and riders with real-time booking features.
- **Technologies:** React, Node.js, MongoDB

Dukorane-Event – Event Management Platform

- Developed an application for event planning, registration, and management.
- **Technologies:** React, Django

ERPA Rest System – Restaurant Management System

- Implemented a system for order processing, billing, and report generation.
 - **Technologies:** JavaScript, Node.js
-

Certifications & Training

- **React.js Training** – Solvit Africa (2025)
 - **Cybersecurity Analyst** – Cisco Networking Academy (2025)
 - **Networking Basics (CCNA 1)** – Cisco Networking Academy (2025)
-

Languages

- **English:** Proficient
 - **Kinyarwanda:** Native
-

Availability

Open to internships, junior developer roles, and collaborative software projects.
